BNA TOPICS INDEX OF SQUARED CIRCLE ARTICLES

In an effort to rekindle interest in some form of study, I have updated Dr. Hollingsworth's "Index of Squared Circle Articles in Topics" which appeared in the April, 1968 TOPICS. The Index enclosed updates Dr. Hollingsworth's original index to include the period from January, 1968 through December, 1983. Also included is a chronological listing of the "Rounding Up Squared Circles" columns in TOPICS, beginning with Dr. Whitehead's first column in January, 1957 through Bill Moffatt's last column in July, 1981.

In future editions, I hope to provide similar indices for the PHSC Journal, the Maple Leaves, and for the Canadian Philatelist. If any Study Group members have the back volumes of Maple Leaves and the Canadian Philatelist, I would appreciate a listing of Squared Circle articles in these publications. I only have a very limited number of these publications for review.

NEW REPORTS AND FINDINGS

The following reports have been submitted since the last ANNEX issue in November:

GODERICH, ONTARIO - Ted Kerzner reports a new late date for this hammer on a 1 Cent Edward postcard; the strike is dated -/AP 2/06.

WELLINGTON, ONTARIO - Ted also reports a second strike for the year 1900; a strike dated 00/AP 30/- on a 2 Cent Numeral cover.

ST. BONIFACE, MANITOBA - Phillip Wolf reports a strike on a 3 Cent Small Queen dated AM/NO 13/97. This predates the earliest "AM" time mark by over a month.

ROSSLAND, B.C. - Phillip also notes an indicia error for this hammer; an inverted "7" on a strike dated -/MR /97.

AN URGENT NEED

There is an urgent need for material for upcoming issues of ANNEX. In particular, photocopies of attractive covers or album pages, new reports and findings, information on the CALGARY strikes (see ANNEX Vol. 6, No. 3) or any other material, mini-studies, observations, etc. which may be of interest. With both Bill and Glenn "retired" from our group, it will become increasingly important for all of us to more actively participate in the Study Group.
