Squared Circle Study Group Newsletter

Vol. 19
No. 3/77
Apr., 1997

NEW REPORTS

In Dick Lamb's #68 list, several Quebec items were offered which augment data published in the Fourth Edition Handbook:

Type II St. Polycarpe, Que. - new late date with a strike on 3c small queen dated -/JU14/97. This is getting very close to the Jubilee period

Stanstead, Que. - early usage (not record) with a year date error reading -/AP12/49 on 3c small queen

Joe Smith sent some reports which extend data in the Fourth Edition:

Type II Lunenburg, N.S. - early use of PM on PM/MR 19/96 and early use of AM on AM/JY 17/96

Whycocomagh, N.S. - early use of PM on PM/NO 19/97

Windsor, N.S. - an inverted PM on JA 17/96

St. John, N.B. (Hmr.III) - a matched pair with time marks AM and 2 on JY20/98 (the 2 on this date exists in several collections) and a matched pair with time marks blank and PM on JY21/98. Does anyone have AM on the 21st? It seems unlikely that PM exists on 20th

THE ROSTER PROJECT

Responses are being received from members on Sheets #1, 2, 3 and 4 sent with the last 4 newsletters. Sheet #5 is enclosed.

CHECK LIST FOR SELECTED STAMPS

In Issue #75, we started a revision/extension of Appendix C of the 4th Edition Handbook showing a check list for special stamps for which several specialist collectors had formed collections. Additional specialties such as Admirals, postal stationery & government postal cards, 2c, 5c & 6c small queens, 2c & 5c Jubilees, etc. will have to go on an additional page. The second sheet of the new checklist appears in this issue. Please let me have your corrections/additions on this table.

THE MEMBERSHIP

Several members have asked for a list of our current members. It's on the 5th page of this issue

THE DUES

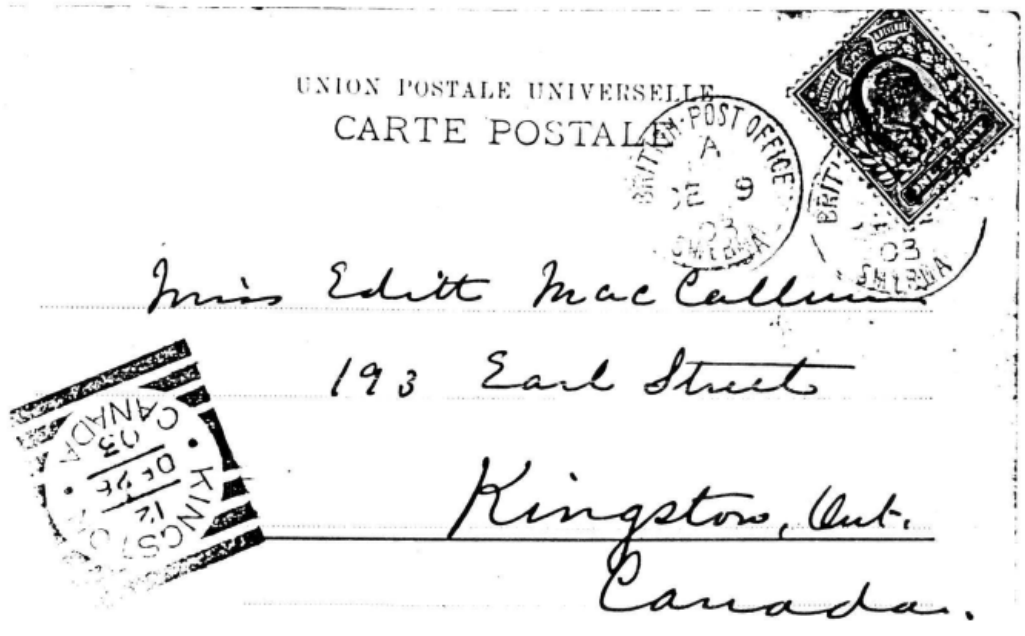

We asked for remittance last time. If your address label has a & after your name, you're paid up

ILLUSTRATIONS

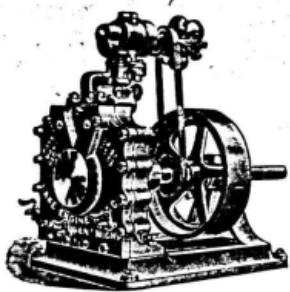

Doug Lingard sent a photo of the unique Kingston Hmr. I 12 indicia postcard, boldly struck arrival mark dated DE26/03 on a very attractive picture postcard from Izmir (then Smyrna) with very early use of the 1d red LEVANT dated DE 9. Tony Shaman sent a photo of the unique Eastman 3 cent Jubilee cover, a very attractive advertising cover dated -/JU25/97. The Shakespeare -/DE73/98 on

3c numeral could be intended as DE13, DE23, DE31 or ? Most strikes of this town are full and clear. Kaslo -/DE 3/97 on 1 cent Jubilee, a very bold strike, has rounded corners, but not as prominently as Formosa. Strikes dated AU 97 have square corners. Will collectors please report on strikes in the last 4 months of 1897 describing the appearance of the strike. I hesitate to call this a new state of this hammer without confirmation. (the last 2 items from the editor's collection)

Editor's address: 2364 Gallant Fox Ct., Reston VA 20191
