HANDBOOK UPDATES

For Montreal (barred) Hammer 5, in looking through the Moffatt archive provided by Gary Arnold, the latest report was MY17 12P/04, a new TM and extending the period of use by over a year. There was also a MR11 7A/02 report, a new TM. Most of the 12 known strikes bear 11A.

For Aldergrove, the 4th Edition Handbook mentions an invert 4 date in 96 on 3c s.q. Some years back, Warren Bosch lent this strike to your editor so that it could be photographed. I just now noticed that the correct date is -/DE 4/95

SAD NEWS

Gary Arnold wrote from Michigan to say that long-time member Bill Allen died early in December. At the time the Study Group began in 1977, Bill was Member No. 38

THE ROSTER PROJECT

Responses are being received from members on Sheets #1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14 and 15 sent with the last 15 newsletters. Sheet #16 is enclosed; we'll finish up Nanaimo next time. Send completed sheets to the Editor, not to the Chairman

THE DUES

We asked for remittance of 1996-97 dues last time. If your address label has a & after your name, you're paid up. Some members are sending in 1997-98 dues; these are welcome. Make checks payable to me, personally, otherwise the new owners of my bank refuse to honor them
