

The Round-Up Annex  
Squared Circle Study Group Newsletter

Vol. 23  
No. 2/99  
July, 2001

Dealer stocks were ample at the ORAPEX show and 2 days were not sufficient to examine all the material available, to say nothing of the exhibits. We were glad to see study group member Wally Gutzman's frames of Toronto and substations. Our study group meeting was held on Saturday with a good attendance. Next issue of this sheet will be our centennial, I would like to make it something special so send in photos of your prides & joy so I can make a selection. The camera ready copy for the 5th Edition Handbook was sent to Saskatoon on June 4.

THE DUES

I have been remiss in not pressing some of you to send in delinquent dues (5.00 US annually). If you see a red meatball on your address label it means this is the last newsletter you will receive. Note the new owners of my bank can no longer handle Canadian checks

## RELATED HAPPENINGS
