ORAPEX 2006

As usual many worthwhile items were found in the dealers' stocks, there were some nice exhibits to look at too. Our study group meeting on Sunday was well attended

NEW REPORTS

**Precursor London** - the Hennok collection has a purple strike on JA285P.

**Montreal I** - late use on a registration receipt, AU 2 P5/01, seen in Hank Narbonne's stock.

**Montreal V** - also in Hank's stock, the first 7P report on a registration receipt OC29/03.

**Type 2 Sydney** - inverted MMDD line on 11ED/95 reported by Reed Classics.

**Baie Verte** - early use in Period 3 on -/OC17/05, reported by Bruce Kalbfleisch

**Charlottetown** - unexpectedly on 2c RLS, AM/DE 4/95, overstruck on Lyndale PEI splitting DE 3, possibly redirected or forwarded mail, received from Warner.

**Aylmer (East)** - second digit of the year missing on -/DE 7/9 (3c Numeral), found in Hank Narbonne's stock.

**Alma II** - Bruce K. has a receiver -/JU 2/00 on postcard franked w/2c numeral.

**Almonte** - the Hennok collection has -/SP 3/69 on 3c s.q., presumably error for 96.

**Bowmanville** - first report on a 5c green Register PM/DE19/?, received from Dick Lamb.

**Chesterville** - Eastern Auctions' June 24 sale had early use on -/MR20/94 on an 8 cents.

**Georgetown** - Rick Hills has late use (backstamp) -/MY21/03 on a cover.

**Kincardine** - the Map strike (believed unique) in the Hennok collection turns out to be dated OC/AP06/99; this is really weird. There was a backstamped 2c purple cover sold recently dated -/AP06; can anyone shed some light on this?

**Kingston II** - on AU2/97 I have 3,4 and blank; perhaps the 2 digit was mislaid and blank is the second clearance.

**Sarnia** - Rob Lunn reports a purple strike on Map dated ?/DE28/? (probably 99).

**Sault Ste. Marie** - early use of PM on JU 4/94, found in Frank Hoyles' stock. Eastern's sale has an early report of -/OC 6/93 (before proof).

**Toronto** - an unexpected item, 3AM/JU28/97 on a 2c Jubilee, received from Karl Marquis.

**Wingham** - late use on -/SP29/02, reported by Larry Grossman.

**Woodville** - the Woods collection dispersed by Eastern has a Map strike clearly dated -/JA 3/~~99~~.

**Birtle** - first map cover report from Brian Copeland, dated -/FE28/99.

**Pipestone** - the Woods collection contained the first Map off-cover report, -/A11/99.  
I have reason to believe one of the previous owners of this Map group was Nels Pelletier.

**Portage la Prairie** - Eastern's sale of the Woods collection has early use on -/NO 1/93.

**Nanaimo I** - Brian Copeland has PM/?U 7/93 (August), new early by 3 days.

**Nanaimo II** - first 15c Large report from Bruce Kalbfleisch, dated PM/NO 6/97.

**Que. & Camp. MC Local No.20 State 2** - late use on W/AP 6/98, reported by Bruce K.
