Great Village -/JA15/95 sent along by Bill Radcliffe, this was mentioned in the 2nd Edition.

This Belleville III 2/MR27/99 sent by Aaron Gulliver is the same late date as my 10c SD (see previous newsletter) but is easier to read. The Marmora inverted 4 in day was reported several years ago but I didn't have a picture until now (thanks to Bruce K.).

Not often seen – 50c Ed with a hard-to-read Morden (Bill Radcliffe).
