

KASLO BC STATE 2 UPDATE (Aaron Gulliver)

“Attached (below) is a scan of a group of Kaslo BC squared circles. The first is dated -/NO 30/97. Unfortunately, I cannot determine if it is S1 or S2. The second is dated -/?E 2/97 but has rounded corners so provides a new ERD for S2 of -/DE 2/97.

The next is dated -/DE 2/?? and could be S1 or S2. The remainder are December 97 dates or have rounded corners and so are all S2. The second last is dated -/DE 21/97 which is the same as the LRD in the handbook.

The last strike in the scan is -/DE 22/97 and so is a new LRD for S2. Thus, given the numbers in the handbook there are at least 15 S2 Kaslo BC strikes.” (Note: The -/DE 22/97 strike was subsequently identified as -/OC 22/97 which is a S1 strike.)

-/NO 30/97 -/?E 2/97 -/DE 2/? -/DE 3/97 -/DE 8/97

-/? 9/97 -/DE 11/97 -/DE 18/97 -/DE 21/97 -/OC 22/97 (S1)

Rick Friesen added the following comments/information on these Kaslo strikes:

“Your NO 30/97 strike is likely also the LRD for state 1. Since the previous LRD was NO 25/97 (on cover), we can probably report it as state 1 LRD, with a comment that the corners aren't visible and until an earlier ERD for state 2 is found, we will assume it is a state 1 LRD. The state 1 LRD of DE 16/97 currently listed in the handbook is obviously incorrect (was incorrectly reported in RA-148 - can't actually see the corners of the strike) since the rounded corners started appearing much earlier and clearly can't be reversed! It is likely the strike listed in the handbook under state 2 on DE 16/97 with the reference of "HB5".

Therefore, there are definitely 13 strikes and possibly 14 if we can determine that the DE 21/97 strike reported in 2015 is not your stamp.”

(Editor's Note: Joe Smith reported an additional State 2 strike, dated -/DE 6/97 on a 3 cent Small Queen stamp, bringing the State 2 strike count to 14 and possibly 15,)

The cover is franked with a 3 cent QV Numeral issue and a 5 cent QV Leaf issue; **this is the first report of a strike of the Wolseley 2nd hammer on the 5 cent QV Leaf issue.** The postmarks provide a record of travel of the cover from the Dominion Lands Office in Regina, to Ellisboro, ASSA and its return back to Regina and finally to the Dead Letter Office in Winnipeg. Bill notes that “all undelivered registered request letters had to be sent to the DLO before being returned to the sender. Ordinary letters could be returned directly to the sender.”
